

# Interconnect Solutions For Global Technology

## Shanghai Phoenix's Core Strengths:

- Blind Mate Connectors and Contacts
- Filtered Products
- Waterproof Connectors
- Molded Cable Assemblies
- Microminiature Coax Connectors
- Delay Lines
- RF/Microwave Cable Assemblies
- Electromechanical Assembly
- Integrated Products

Shanghai Phoenix Communication & Technology Co., Ltd. was established in 2003 as an affiliate of The Phoenix Company of Chicago. Shanghai Phoenix is a manufacturer of RF/Microwave connector and cable assembly products with a successful history of providing interconnect technology and cost competitive solutions to global customers.

State-of-the-art equipment, in-house designs, trained operators, and utilization of continuous improvement systems are the resources used to strive for complete customer satisfaction.
